ARCHITECTS OF CORPORATE EXCELLENCE IN SRI LANKA

Founded over 15 years ago, **Spillburg Corporate Services (Private) Limited** was built on a singular premise: businesses expanding into or operating within Sri Lanka deserve a single, reliable partner capable of handling complex regulatory, financial, secretarial, and operational mandates under one roof.

We have evolved from a boutique consultancy into a full-scale corporate services powerhouse. By combining deep local regulatory intelligence across the **Registrar of Companies (ROC), Board of Investment (BOI), Inland Revenue Department (IRD), Central Bank (CBSL), and Colombo Stock Exchange (CSE)** with global best practices, we ensure absolute compliance and financial precision.

OUR MISSION

To empower global and local enterprises with seamless, accurate, and compliant corporate services—transforming complex regulatory challenges into strategic advantages that accelerate sustainable growth.

OUR VISION

To be the undisputed premier corporate services and transaction advisory partner in Sri Lanka, recognized globally for unwavering integrity, precision, and transformative client success.

WHO WE SERVE • OVER 150 BUSINESS VENTURES ESTABLISHED IN THE LAST 10 YEARS

01
International Investors
Foreign promoters and funds entering or expanding into Sri Lanka via BOI or normal law.

02
Multinational Companies
Global subsidiaries needing local IFRS accounting, tax, audit, and statutory compliance.

03
Growing SMEs
Established domestic enterprises looking for outsourced finance, tax, and HR functions.

04
High-Growth Startups
Founders incorporating their business and establishing compliant financial operations.

05
Project Developers
Infrastructure, hospitality, and real estate sponsors requiring structuring and DD support.

06
Expatriate Executives
Foreign professionals requiring visa coordination, personal tax, and corporate support.

PRINCIPLES OF OUR WORK

01. Accuracy & Precision
Every financial and corporate detail captured with zero error tolerance.

02. Regulatory Compliance
Strict adherence to Sri Lankan statutes and international IFRS/GAAP standards.

03. Confidentiality
Fiduciary-grade data security and strict client privacy across all mandates.

04. Timeliness
Delivering statutory filings and executive insights ahead of every deadline.

05. Strategic Insights
Going beyond bookkeeping to provide actionable commercial intelligence.
