FROM DOCUMENTS TO BULK GOODS • GLOBAL FORWARDING NETWORK

SEA, AIR & LAND FREIGHT

MOD 01 - 03

MOD-01 SEA FREIGHT FORWARDING (FCL & LCL)

OCEAN // PORT OF COLOMBO (LKCMB)

With our flexible ocean freight solutions, you can ship large volumes of cargo across global trade lanes economically and reliably. We handle containerized shipments of any scale — both Full Container Load (FCL) and Less-Than-Container Load (LCL) — alongside project shipping.

- **FCL & LCL Handling:** 20' / 40' / 40'HC dry & buyer's consolidation boxes
- **Project Shipping:** Breakbulk, Ro-Ro, Flat Rack & Open Top vessel space
- **MCC Transshipment:** Multi-Country Consolidation via Port of Colombo
- **Export & Import:** Complete port-to-port and door-to-door ocean execution
- **Reefer Containers:** Temperature-controlled ocean transport for perishables
- **Cargo Insurance:** Comprehensive marine transit insurance upon request

MOD-02 AIR FREIGHT & EXPRESS CARGO COORDINATION

AIR // BANDARANAIKE INT'L (CMB)

When speed is critical, our robust global air freight network covers everything from origin pick-up and consolidation to airport customs clearance and final delivery to end customers — offering the quickest way of sending and receiving your goods worldwide.

- **Import & Export Consolidation:** Scheduled belly-hold & main-deck air cargo
- **Air Customs Clearance:** Rapid CMB airport cargo village clearance
- **Airport Warehousing:** Secure transit staging & cold-room handling
- **Door-to-Door Express:** Time-definite airport-to-door & AOG urgent spares
- **Air Documentation:** Master/House Air Waybills (MAWB/HAWB) & certificates
- **DG & High-Value Cargo:** IATA-compliant handling for sensitive shipments

MOD-03 LAND FREIGHT & INLAND ROAD HAULAGE

ROAD // FTL, LTL & CONTAINER DRAYAGE

We have the fleet capacity to transport and forward all road freight shipments throughout Sri Lanka. Whether connecting factories in BOI Export Processing Zones to Colombo terminals or executing nationwide distribution, we guarantee flexible and safe transportation.

- **FTL & LTL Shipments:** Full Truck Load & Less-Than-Truck Load domestic haulage
- **Door-to-Door Freight:** Domestic & international multimodal road links
- **High-Quality Wrapping:** Protective industrial packaging for road transit
- **Container Deliveries:** 20' & 40' skeletal trailer port-to-factory drayage
- **Residential & Commercial:** Pick-up, tail-lift & door deliveries island-wide
- **GPS-Monitored Dispatch:** Real-time route tracking & proof of delivery (POD)

ANCILLARY SHIPPING, STORAGE & BORDER CLEARANCE

WAREHOUSING, CUSTOMS & SPECIAL CARGO

MOD 04 - 06

MOD-04 WAREHOUSING, BONDED STORAGE & COLD ROOM

STORAGE // GENERAL, BONDED & REEFER

We accommodate your goods safely until they are ready to be shipped or collected at the destination. Spillburg Logistics 1 offers tailored warehousing spaces suited to individual requests and specific commodity profiles across Colombo's primary logistics corridors.

- **Picking & Packing:** Order fulfillment, export crating, palletizing & shrink-wrapping
- **Bonding Warehouse:** Duty-suspended storage for re-export & BOI manufacturers
- **Bulk & Racked Storage:** Flexible short-term staging & long-term inventory
- **24-Hour Security & CCTV:** Continuous perimeter surveillance & access control
- **Cold Room Facilities:** Temperature-controlled storage for food & pharma
- **Container CFS Operations:** Stuffing, de-stuffing, labeling & tally verification

MOD-05 CUSTOMS BROKERAGE & ASYCUDA CLEARANCE

CUSTOMS // LICENSED CLEARING AGENT

As an authorized Customs Clearing Agent in Sri Lanka, we handle all regulatory declarations and ancillary border formalities for export and import consignments — preventing port demurrage, detention penalties, and valuation delays.

- **ASYCUDA World Filing:** Direct electronic CUSDEC submission & assessment
- **FTA Preferential Clearance:** SAFTA, ISLFTA & SLPFTA Certificate of Origin processing
- **Agency Approvals:** SLSI, NMRA, Plant/Animal Quarantine & TRC permits
- **HS Code Classification:** Accurate tariff mapping & duty calculation
- **BOI & TIEP Schemes:** Section 17 duty-free project & raw material clearance
- **Physical Inspection:** On-ground wharf clerks at SAGT, CICT, JCT & CMB Air

MOD-06 PROJECT CARGO, HEAVY LIFT & CRUISE LINE LOGISTICS

SPECIALIZED // OOG & CRUISE PAX EXCHANGE

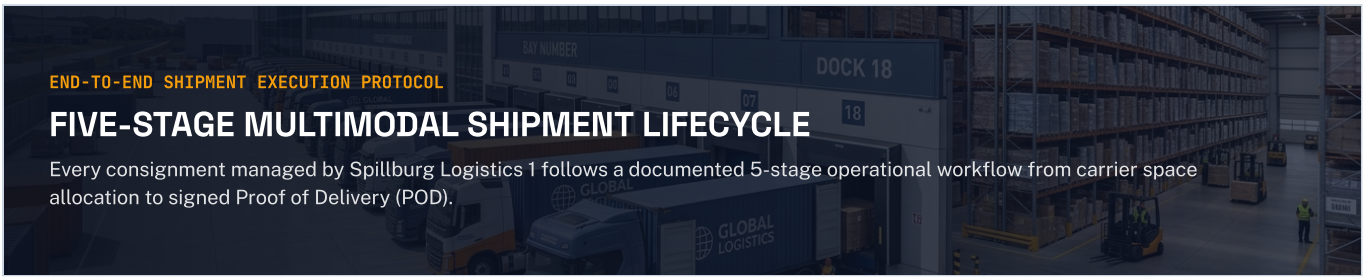

Beyond standard containerized cargo, our team executes complex Out-of-Gauge (OOG) industrial moves and specialized maritime passenger/baggage turnarounds for international cruise vessels calling at Sri Lankan ports.

- **Heavy Lift & OOG:** Transformers, turbines, boilers & construction machinery
- **Cruise Line Pax & Baggage:** Turnkey passenger & baggage exchange at port
- **Route & Bridge Surveys:** Low-bed trailer engineering & police escort permits
- **Ship Spares in Transit:** Urgent marine spare parts clearance & launch delivery
