WHO WE ARE • INTERNATIONAL TRANSPORT & CLEARING SPECIALISTS

ABOUT SPILLBURG LOGISTICS 1

SL1 // PROFILE

Spillburg Logistics 1 (Private) Limited is a premier Logistic Service Provider and licensed clearing agent with a team of seasoned experts providing international transport solutions for customers around the globe. Headquartered in Colombo, we deliver reliable cargo handling services for both export and import consignments at Sri Lanka Customs.

Ensuring that cargo arrives at the right place and at the right time involves real skill. Spillburg Logistics 1 ensures that moving goods from one part of the world to another is executed economically and efficiently, following strict statutory procedures and accurate shipping documentation to facilitate every transaction seamlessly.

FAST & PROFESSIONAL EXECUTION

Moving finished products, raw materials, and industrial equipment worldwide requires specialized operational expertise. Businesses across Sri Lanka and international trade corridors rely on Spillburg Logistics 1 for experienced, responsive, and high-efficiency freight forwarding across ocean, air, and road networks.

CUSTOMIZED SUPPLY CHAIN SOLUTIONS

Every mandate starts with a complete assessment of your business needs. No matter how simple or complex your logistics and supply management requirements are, we engineer tailored routing, consolidation, and customs clearance workflows from order origin to final destination delivery.

OUR VISION

“To be the preferred transportation and total logistics solutions provider for our customers across domestic and international trade lanes.”

OUR MISSION

“To provide total logistics solutions that gain the confidence and trust of our valued clients by conducting business with complete integrity, speed, and accountability.”
