STRATEGIC INDIAN OCEAN TRANSSHIPMENT & FTA GATEWAY

SRI LANKA MARITIME CROSSROADS

HUB // LKCMB

Positioned directly on the primary East–West Indian Ocean maritime trade route linking Europe, the Middle East, Africa, and Asia-Pacific, the **Port of Colombo (LKCMB)** is South Asia's premier deep-water transshipment and multi-country consolidation hub. Spillburg Logistics 1 operates at the heart of this ecosystem, connecting global shipping lines and airlines to regional and domestic supply chains.

#1 Hub

7.2M+ TEUs
TERMINAL CAPACITY
Operations across JCT, SAGT, CICT & East/West Terminals

24 / 7 / 365
ASYCUDA CLEARANCE
Electronic customs processing & rapid vessel turnaround

REGIONAL TRADE AGREEMENT ADVISORY (SAFTA / ISLFTA / SLPFTA)

Led by our Managing Director's extensive background with the Board of Investment (BOI) and regional trade treaties, we assist exporters and importers in structuring shipments under the **Indo-Sri Lanka Free Trade Agreement (ISLFTA)**, **Pakistan-Sri Lanka FTA (SLPFTA)**, and **SAFTA** — securing duty concessions and rules-of-origin compliance.

MULTI-COUNTRY CONSOLIDATION (MCC) & ENTREPÔT TRADE

We coordinate LCL cargo originating from multiple regional ports to be de-stuffed, sorted, relabeled, and consolidated into FCL containers under customs bond in Colombo for onward shipment to Europe, the UK, the Middle East, and North America — reducing overall landed freight costs.

DIRECT TERMINAL & BORDER COVERAGE ACROSS SRI LANKA

PORT OF COLOMBO TERMINALS

Direct wharf operations across JCT (Jaya Container Terminal), SAGT (South Asia Gateway Terminals), CICT (Colombo International Container Terminals), and ECT.

HAMBANTOTA & TRINCOMALEE

Ro-Ro vehicle transshipment, project breakbulk discharge, bulk industrial commodities, and heavy-lift port clearance at regional deep-water ports.

BIA AIR CARGO & BOI ZONES

Express air cargo clearance at Katunayake (CMB) and direct bonded trucking to Katunayake, Biyagama, Seethawaka, Horana, and Koggala EPZs.
