DESTINATION SRI LANKA • STRATEGIC INVESTMENT GATEWAY

WHY SRI LANKA & THE FIVE-HUB VISION

Positioned at the centre of the Indian Ocean along the world's busiest East–West maritime trade route, **Sri Lanka** offers unmatched connectivity to South Asia, the Middle East, Africa, East Asia, and Europe. Combining deep-water ports, progressive special economic zones including **Colombo Port City**, an educated English-speaking workforce, and rich natural resources, Sri Lanka is uniquely positioned as a premier regional hub.

65,610 km²	445 × 225 km	27.5 °C	Since 1948
TOTAL LAND AREA	**LENGTH × WIDTH**	**MEAN TEMPERATURE**	**SOVEREIGN REPUBLIC**
Compact & resource-rich island	Rapid port-to-hinterland reach	Year-round tropical climate	Established commercial law

THE FIVE-HUB STRATEGIC FRAMEWORK

HUB 01
MARITIME HUB
Deep-water ports in Colombo, Hambantota & Trincomalee serving global East–West shipping lanes and transshipment.

HUB 02
AVIATION HUB
Expanding international air cargo and passenger connectivity linking South Asia, the GCC, Europe, and APAC.

HUB 03
COMMERCIAL HUB
Colombo Port City and modernised BOI regimes creating an international financial, offshore, and business centre.

HUB 04
ENERGY HUB
Abundant utility-scale solar, wind, hydro, and green-hydrogen potential driving clean-energy investment.

HUB 05
KNOWLEDGE HUB
High literacy, strong English proficiency, and a globally recognised accounting, IT, BPO, and engineering talent pool.

HIGH-POTENTIAL INVESTMENT SECTORS IN SRI LANKA

RENEWABLE ENERGY & CLEANTECH
Utility-scale solar, wind, biomass, mini-hydro, battery storage, and waste-to-energy projects backed by national targets.
