INSTITUTIONAL NAVIGATION • REGULATORY CLEARANCES

INVESTOR FACILITATION & REGULATORY GATEWAY

Foreign and domestic investments in Sri Lanka require structured coordination across statutory agencies. Destination Consultancy manages the entire regulatory pathway—from project application to commercial licensing—eliminating administrative bottlenecks.

BOI BOARD OF INVESTMENT APPROVALS

Full lifecycle representation under Section 17 (special incentive regime) and Section 16 (normal law foreign investment entry) of the BOI Act.

- Investment application preparation, financial projections & submission
- Negotiation & execution of BOI Investment Agreements
- Customs duty-free import clearance for project capital goods
- Expatriate entry permits & residence visa recommendations

CPCC COLOMBO PORT CITY ADVISORY

Advisory for international businesses establishing offshore entities inside the Colombo Port City Special Economic Zone.

- Authorised Person (AP) licensing & offshore company registration
- Business of Strategic Importance (BSI) incentive structuring
- Designated foreign-currency banking & capital mobility setup
- Leasehold plot / commercial office space coordination

CBSL FOREIGN EXCHANGE & BANKING

Compliant capital inflow structuring under the Foreign Exchange Act and Central Bank of Sri Lanka (CBSL) directions.

- Inward Investment Account (IIA) opening with licensed banks
- Equity remittance, shareholder loan & repatriation structuring
- ROC eBiz company incorporation & corporate secretarial setup
- IRD tax registration (TIN, Corporate Income Tax, VAT, SVAT)

LINE LINE-MINISTRY & SECTOR APPROVALS

Multi-agency environmental, municipal, and sector-specific approvals required for physical project execution.

- Central Environmental Authority (CEA) IEE / EIA & EPL clearances
- Urban Development Authority (UDA) & local authority permits
- Sri Lanka Sustainable Energy Authority (SLSEA) & CEB approvals
- Sri Lanka Tourism Development Authority (SLTDA) licensing

Single-Window Execution Advantage: Rather than managing separate legal, engineering, environmental, and corporate consultants, investors rely on Destination Consultancy as a unified project management office (PMO) that coordinates every regulatory milestone from day one.
